BIN 51 **EDEN VALLEY RIESLING**

Bin 51 captures many attributes of the Eden Valley locale. The region's high altitude and cool-climate induces Riesling with great finesse and elegance with a capacity for long-term cellaring. South Australia has gained worldwide recognition for producing definitive world-class Riesling and Eden Valley always features. In their youth, the wines possess scented floral and citrus aromas, with a mineral edge and marked natural acidity, contributing significantly to the palate texture and flavor.
